E BOSTON STO

Help Wanted, yes, your help is wanted, we have too great a quantity of merchandise on hand for the season. We want you to come and carry some of it away. We will pay you well to do this, higher pay than you could earn in any other way we know of, for, beside

DIME FOR EVERY DOLLAR'S WORTH YOU CARRY

the gigantic values, we will pay you during the next six days, August 5th to August 13th.

When your sales checks amount to a dollar present them at the pay desk and we will hand you a dime for every dollar's worth of checks you hold. Prices are lower than ever and in addition, we actually pay you for carrying home your own goods.

There is plenty of merchandise here that you need right now. Plenty of dimes to pay you with, too; see the big kegs of dimes in the windows, then come and get your share

There is Money Here for YOU!

SUMMER READY-TO-WEAR

Suits, Waists and Skirts—Both Stylish and Economical

Prices talk here, they even shout, and if you cannot hear them you are certainly somewhat deaf to vital economy. And the fashions do not speak in whispers, either, fact is, if we had these same garments to sell for these prices last month, they would not have stayed here a day, even now we look for them to be all gone before the week is ended, so choose yours early.

LINEN THAT ENDURES

It is washing that wears out most linens, not use. Why? Easily answered, most low priced linens are largely "filling," and the washing dissolves this filling, leaving only a loose, worthless fabric. Notwithstanding the extremely low prices, there is no filling in The Boston Store linens don't forget that.
